As the Christmas Break draws near, here are a few reminders of things going on for the last few days of school before the break, and when we return in the new year.

High School Interim Reports:

High School Grade 8-12 Interim reports for the second half of this semester have been sent home. These reports provide information regarding current progress and performance, areas for improvement, areas to work on and any outstanding assignments to complete over the Christmas break. Please take this opportunity to review the reports with your youth and talk about their progress and steps for further success. If you have any questions please feel free to contact high-school staff at the school.

Christmas Concert & Silent Auction:

The annual SECS Christmas Concert will be held this **Thursday Dec. 15th at 7:00pm** in the school gym. We invite you to come and enjoy an evening of song, dance and music with our staff and students. We look forward to seeing you there.

The SECS School Council and Student Council are co-hosting this year's Silent Auction to be held at the St. Elias Community School at the concert. Proceeds will go towards supporting the revitalization of a student lounge area in our school. The School Council, and SECS staff and students are thankful for the generous support that our parents, local businesses and community members give each year at the auction.
