

Guidelines for Guest Presenters at Council Meetings

The “School Council Dispute Resolution Policy” used in all Yukon schools, outlines the communication procedure to be followed should a question, concern or incident arise at the school. The general principle is that an attempt at dispute resolution must be initiated at the level at which the concern or incident arose (i.e.teacher, then school administrator, then school council, and lastly with the superintendent). **We truly welcome your attendance at any of the Council meetings and value your participation in the school and your child’s education.**
