Sea of Pink Day:

This week is Bullying Awareness and Prevention week. Throughout the week students and staff are taking time to discuss issues of bullying and what we can do as a school, a community and as individuals to take a stand against bullying. Please join us in this initiative and chat with your children about how we can all work together to find solutions to end bullying.

On **Friday November 24, 2017** St. Elias Community School will be participating in the SEA OF PINK Campaign. We are inviting all students and staff to wear Pink and pledge to stand up for victims of bullying everywhere. Wear pink to school and to work to show that you stand up to bullying!

Take the Pink Pledge

Today I have an obligation.
No longer will I be silent
if you need help.
Silence is participation.
I refuse to participate in the problem.
We're all different, but we all
deserve respect.
If you need help, come to me.
If I think you need help,
I'm getting involved. I got your back!
